

Conference 2 | Revelations in the Humanity of Jesus

Questions for Personal Reflection

1. In Jesus, “this human person...inhabits all the presence of God Himself,” and we see that in the past and present people did not and still do not recognize Him as God. God has given us the gift of *faith* to open our eyes to what is hidden! What does God want for us? For you?
“He wants to live in our midst, to express His love and His mercy, to visit His people and to speak to our hearts”
2. Fr. Jacques Philippe suggests imagining Christ and to picture Him in our minds. What is the first image that I have of Jesus in my mind? What does He look like? How old is He? What is His posture? Is He smiling? Is He looking at me? Where is He?
3. What mystery is God inviting me to pray with?
4. These mysteries are moments not only in the past, but also present and even eternal bearing fruit! They are means of deepening our roots in Christ. *How have I taken root to Jesus through difficult seasons in my life?* Like God’s presence is hidden and He reveals Himself little by little, so too do the fruits of our life reveal little by little the change and conversion within our hearts.
5. Fr. Philippe gives beautiful examples of how to pray with Jesus’s name and to pray with great *faith and trust*. How can I pray with Jesus’s name today? What is one prayer that I like that I will try to put into practice this week?
