

Conference 4 | His Personal Invitation in Holy Scripture

Questions for Personal Reflection

1. Fr. Jacques Philippe encourages us that “if we seek God in a sincere manner in the Bible, the Holy Spirit will aid us to discover many treasures.” How do I approach the Scriptures? Do I know where to start or do I feel overwhelmed? Am I intimidated or comfortable? Does reading the Word of God drive me closer to Him or do I feel like the Bible is too familiar?
2. Have I ever experienced God’s presence when reading the Scriptures? If yes, then what was it?
3. There are beautiful examples of prayers from Scripture: “Lord I am not worthy that you should enter under my own roof, but only say the Word and my soul shall be healed, or Lord, I believe, help my unbelief. “What words from Scripture have become my own prayer?
4. Is the Word of God part of my daily life? Is it nourishment to my soul? If yes, then how can God continue fostering it? If not, then where is God inviting me to let Him nourish me through His Word?
5. What Scripture from this retreat has stuck out to me? What about it is striking me now?
